Nestled along the shore of Lake Erie, Haldimand Conservation Area offers campers and day-use visitors a quiet place to relax and enjoy the outdoors. Enjoy the unobstructed shoreline view while watching for waterfowl and migrating birds.

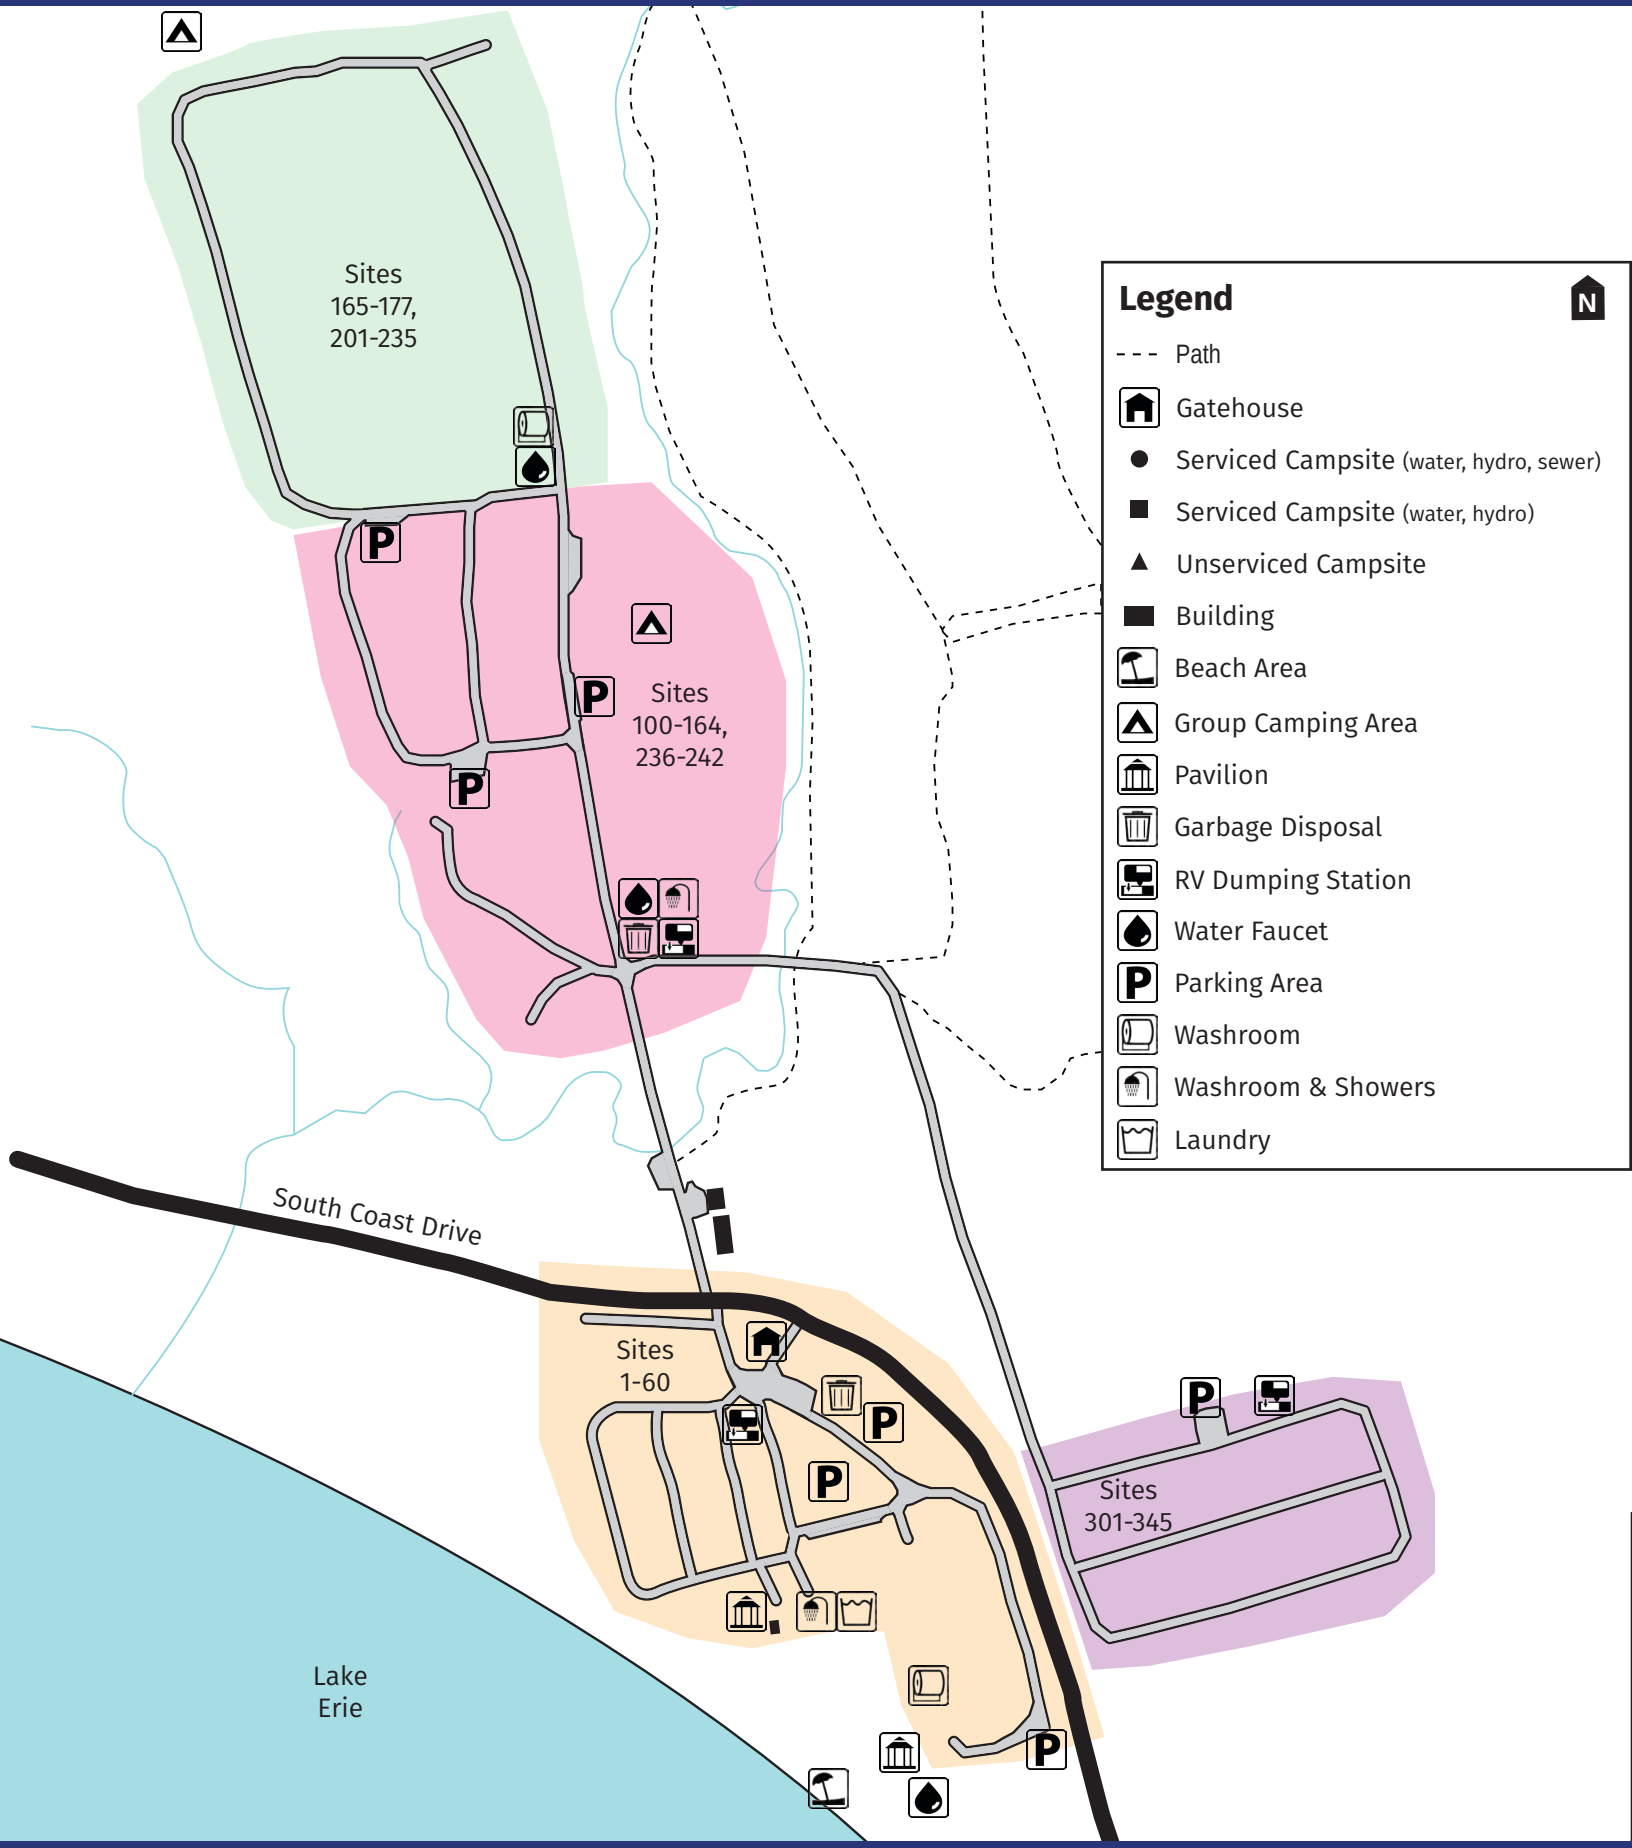

Just minutes west of Selkirk, Haldimand Conservation Area is the perfect starting point for visits to nearby museums and boat launches. The winding roads along Lake Erie's shoreline are also fantastic for on-road cycling and are part of the Lake Erie Cycle Route, making Haldimand Conservation Area a convenient beginning point for a cycling tour or the perfect overnight stay during a bike trip.
